SINGLE STOREY WHOLESALE WAREHOUSE BUILDING WITH FRONT FACING LOADING AND CUSTOMER CAR PARKING

2,563 sq. ft (238 sq. m)

**UNIT 10 RAYNESWAY, OFF BROUGHTON STREET, CHEETHAM HILL,
MANCHESTER, M8 8NN**

PROPERTY DESCRIPTION

Unit 10 Raynesway is a predominantly single storey wholesale warehouse building with open plan storage accommodation, rear ancillary areas and some additional mezzanine storage. It dates to the 1970s. It has been in long term use by our clients as a wholesale showroom and storage facility

The property comprises one half of a larger block single storey warehouse of steel portal frame construction with mono pitched decked roof and a solid concrete floor. Access is afforded at the front into the warehouse by a steel concertina loading door and the warehouse has an average floor to ceiling height of 14ft and an adjacent incorporated sales office with separate customer entrance.

PROPERTY LOCATION

The property is in the heart of the Cheetham Hill wholesale district. It is well positioned adjacent and accessible to the well-established and popular Broughton Street close to its junction with the A665 Cheetham Hill Road. Raynesway lies on the northern fringe of Manchester city centre and the property enjoys a good position in Manchester's main wholesale district. Broughton Street runs between Waterloo Road and the main A665 Cheetham Hill Road which links directly into Manchester city centre towards Victoria Station, which is less than 1 mile distant.

The area is popular with the wholesale/fashion/cash and carry trade. At the current time there is an increasing number of commercial uses moving into the area, given its close proximity to the rapidly growing Manchester city centre boundary.
